In addition to regular season play, Mesa Soccer headquarters will have a FIFA World Cup Fantasy League leader board where each team's weekly scores will go up, allowing head to head competition across girls and boys teams of all ages. LITTLE NOTTS
SOCCER 

Entering its 10th season, this 8 week clinic is geared toward the younger players, 4-10 years old. During these one hour sessions, players will be introduced to fundamental soccer techniques and then have the opportunity to utilize their newfound skills in small sided scrimmages. Players will be divided into small groups based on age and skill level. Nott's Forest competitive players work with our Little Nott's players under the supervision of a licensed Nott's Forest F.C. professional coach.
